

**ST. ALBANS SCHOOL  
SECTOR-15, FARIDABAD  
SESSION-2023-2024**

**ASSESSMENT POLICY FOR CLASSES I – II**

We follow an ongoing continuous and comprehensive evaluation approach. The child is assessed on the basis of overall performance. Their learning curve is observed, assessed and remediated from time to time. Some of the processes used are reflection sheets, Subject Enrichment Activities, Group discussions, projects and presentations based on their own learning experiences. Cumulative grades are given in the report card.
